Stanley,

I just spoke with counsel at Lewisburg; at this point, she is not going to make Dr. Edinger available. For the moment, my best advice is to keep faxing.

Karen – I just got off the phone with the folks at Jefferson where Ryan is now. They have literally zero medical records for Ryan and would like them. I'm faxing them what I have, but they'd like to speak to Dr. Etinger or other medical personnel at Lewisburg. Do you have contact information for the medical folks there that you can pass along? The phone number for the nurse I'm speaking with is [redacted]. I think her name is [redacted] but I didn't think to write it down.

Thanks,

Stanley

Hi Stanley,

For what it's worth, I've been following up on your request also. If I'm going to provide any information, I need input from both stakeholders. I followed up yesterday on the inquiry I made on June 21 (the date you requested further information). Once I have the input I need, I'll get back to you.

Understood. His decision will depend on your answer, which we look forward to.

Thanks,

Stanley

I'm not asking about a day/time, I appreciate the government's security concerns, but wondering if you can say whether this is something that's expected to occur in the next few days, the next few months or something in

between?

Thanks,

Stanley

Dear Chambers,

Efforts to arrange for the call began on Friday, June 17. The call was arranged for today. I have just received a message that defendant Samsel has twice refused to leave his cell to participate in the call. His Unit Manager is going to make a third attempt to have Samsel join the call with his counsel, and I am waiting for the next update.

Dear all,

Judge Cobb would like to know whether Mr. Samsel has been able to have a conference with his attorneys, as ordered in the Show Cause Order (ECF 178) issued on Friday, June 17, following the status conference earlier that day. If so, the Court plans to vacate tomorrow's status conference, currently scheduled for 10:00 AM via phone.

If the Parties could please provide an update to the Court as soon as possible, we would appreciate it.

Sincerely,

Chambers of Judge Jia M. Cobb
